PROFILE

Enthusiastic and detail-oriented full stack web developer with a solid foundation in both front-end and back-end technologies. Proficient in HTML, CSS, JavaScript, and popular frameworks such as React and Node.js. Adept at creating responsive, user-friendly web applications and integrating RESTful APIs. Strong problem-solving skills and a passion for learning new technologies. I am eager to contribute to a dynamic development team and grow professionally in the field of web development.
